MISSION STATEMENT

Stockholm International Arbitration Review illustrates the development of the international arbitral process, the enforcement of arbitral awards and the use of legal norms in the settlement of, primarily commercial transnational, disputes. By contributing to the scholarly debate on international arbitration, Stockholm International Arbitration Review seeks to advance ideas which will improve the knowledge and the functioning of the international arbitral process.

Emphasis is placed on the publication of extracts of arbitral awards and court decisions with in-depth comments by scholars and practitioners. The approach shall be comparative, articles and comments be reasoned and explanatory, accessible also to non-specialists.

Contributions in the Stockholm International Arbitration Review shall be published in the languages currently used in international arbitration.
