

INSTITUTE FOR TRANSNATIONAL ARBITRATION
of
THE CENTER FOR AMERICAN AND INTERNATIONAL LAW

The Institute for Transnational Arbitration (ITA) provides advanced, continuing education for lawyers, judges and other professionals concerned with transnational arbitration of commercial and investment disputes. Through its programs, scholarly publications and membership activities, ITA has become an important global forum on contemporary issues in the field of transnational arbitration. The Institute's record of educational achievements has been aided by the support of many of the world's leading companies, lawyers and arbitration professionals. Membership in the Institute for Transnational Arbitration is available to corporations, law firms, professional and educational organizations, government agencies and individuals.

MISSION

Founded in 1986 as a division of The Center for American and International Law, the Institute was created to promote global adherence to the world's principal arbitration treaties and to educate business executives, government officials and lawyers about arbitration as a means of resolving transnational business disputes.

WHY BECOME A MEMBER?

Membership dues are more than compensated both financially and professionally by the benefits of membership. Depending on the level of membership, ITA members may designate multiple representatives on the Institute's Advisory Board, each of whom is invited to attend, without charge, the annual ITA Workshop, the annual ITA Advisory Board Dinner Meeting later that evening and the ITA Forum (the following morning) - an informal, invitation-only roundtable discussion on current issues in the field.

Advisory Board Members also receive a substantial discount off the price of all other ITA programs, all ITA educational DVD products, and selected publications of Juris Publishing and Oxford University Press, as well as a free subscription to ITA's quarterly newsletter, *News and Notes*, and a free subscription to ITA's law journal, *World Arbitration and Mediation Review*. Your membership and participation support the activities of one of the world's leading forums on international arbitration today.

THE ADVISORY BOARD

The work of the Institute is done primarily through its Advisory Board. The ITA Advisory Board meets for business and social activities each June in connection with the annual ITA Workshop.

PROGRAMS AND PUBLICATIONS

The primary public program of the Institute is its annual one-day *ITA Workshop*, presented each year in June in Dallas, which customarily combines mock scenes with expert commentaries performed and presented by leading arbitrators and arbitration practitioners from around the world to illuminate procedures and issues commonly encountered in international commercial arbitration. Other annual programs include the *Dallas Roundtable* for young international arbitrators, held annually on the eve of the ITA Workshop in Dallas, the *ITA Americas Workshop and Americas Roundtable*, held at different venues in Latin America and the *ITA-ASIL Spring Conference*, held in Washington, D.C. For a complete calendar of ITA programs, please visit our website at www.cailaw.org/ita. The Institute for Transnational Arbitration is also proud to publish its acclaimed *Scoreboard of Adherence to Transnational Arbitration Treaties*, a comprehensive, regularly-updated report on the status of every country's adherence to the primary international arbitration treaties, in ITA's quarterly journal/newsletter, *News and Notes*. All ITA members also receive a free subscription to ITA's newest publication, *World Arbitration and Mediation Review*, a law journal edited by ITA's *Board of Editors* and published in four issues per year. ITA's educational DVDs and books are produced through its *Academic Council* to aid professors, students and practitioners of international arbitration. Since 2002, ITA has co-sponsored *KluwerArbitration.com*, the most comprehensive, up-to-date portal for international arbitration resources on the Internet, in which current developments around the world are reported monthly by ITA's *Board of Reporters*.
