Dubai International Arbitration Centre (DIAC) is rapidly becoming a recognized arbitration centre regionally and internationally.

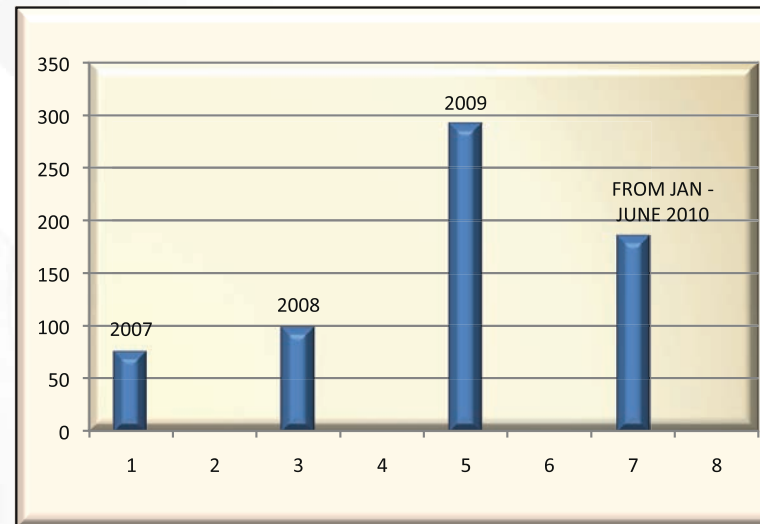

The DIAC assists businessmen in resolving their commercial conflicts through arbitration and conciliation proceedings. Widely supported by the regional court systems, easy to understand and universal in its application, arbitration is a primary choice when it comes to settling business disputes in an impartial, cost-efficient and confidential manner.

The DIAC employs an international team of arbitration-trained lawyers and business people, who closely supervise every case in accordance with its specifics. We provide appropriate workshops, informational sessions, and general case assessment to ensure that each current or potential user is best prepared to navigate through arbitration proceedings.

In this pamphlet you will find practical data regarding the DIAC arbitration proceedings:
