Dear Madam

Subject: Reprinting GoS Counter Memorial Atlas

I write in order to bring the Tribunal's attention to an error in the Government of Sudan's Counter-Memorial Map Atlas (Volume III Counter-Memorial of the Government of Sudan).

A printing error has occurred on a number of the Government of Sudan's Counter-Memorial maps that has only now come to our attention upon delivery of the hard copies. A section of some maps has become distorted, and in some instances erased; those are:

- 13a - Wilkinson 1902 Route Map
- 14a - Percival 1904 Route Map (Lake Keilak to Wau)
- 16a - Hallam 1907 Route Map
- 17 - Homr Dry Season Camps, 1908
- 18a - Whittingham 1910 Route Map
- 19 - Heinekey 1918 Route Map
- 39a - Dupuis 1921 Route Map

The error does not occur on the electronic copy of the Government of Sudan Counter-Memorial Map Atlas.

For the ease of the Tribunal, we have had the entire Counter-Memorial Map Atlas reprinted and we will deliver corrected copies to the addresses of the distinguished Tribunal's Chairman and members. We will also deliver a copy to the SPLM/A Counsel.

Yours Faithfully

Dirdery Mohamed Ahmed
Agent of the Government of Sudan
