

## Questions by Professor Oxman

1. *For the Organisation.* Since the adoption of CMM 1.01, has the Organisation received monthly reports referred to in paragraph 12 or lists of vessels referred to in paragraph 17 from the Members and Cooperating States listed in Table 3 or from the Russian Federation? Please specify.
2. *For the Russian Federation.* With respect to the *Lafayette*:
  - a. Do the reports received by the Russian Federation specify whether the catch reported was originally removed from the sea by the *Lafayette* or was transshipped to the *Lafayette* from another vessel?
  - b. Is that information required by the applicable laws and regulations of the Russian Federation?
  - c. What steps have been taken by the Russian Federation to investigate the source of the catch reported in light of the prior inquiries in this regard?
3. *For the Russian Federation and the Republic of Chile.* Do paragraphs 6, 7, and 11 of CMM 1.01 apply to catch transferred from another vessel?
4. *For the Republic of Chile.*
  - a. With respect to the application of paragraph 1(a) of Article 21 of the Convention to *Trachurus murphyi*, as well as the comparable language in paragraph 3 thereof, is the Russian Federation one of the States to which reference is made?
  - b. Which provisions of Articles 16 and 17 of the Convention apply to a decision that allocates catch or declines to allocate catch to a Member, such as the decision contained in paragraphs 6 & 7 of CMM 1.01?
